Headteacher Mr M Phillips

Dear Parent/guardian

From April 2021 RSE (Relationships and Health Education) is becoming a statutory subject for all Primary Schools. We are pleased to let you know that our school has decided to adopt the programme, **Life to the Full**, produced by the Catholic educational organisation, Ten Ten Resources, in order to help us to deliver this subject.

The **Life to the Full** programme is based on the structure of 'A Model Catholic RSE Curriculum' by the Catholic Education Service. This model curriculum was highlighted as a work of good practice by the Department of Education so we therefore have confidence that the programme will be fit for purpose in supporting the growth and development of your child.

**Life to the Full** is much more than a series of lessons. It is an entire platform of creative resources that will engage, inform and inspire our children and, indeed, you as parents. This includes interactive video content, story-based activities, employing a wide range of teaching tools, original worship music and an accompanying programme of classroom prayers.

In addition, there will be an online parent platform so that you, as parent and carers, can engage with the teaching and deepen the experience for your child. This outlines the content of the curriculum and we strongly encourage you to read through this so that you are aware of what your children will be taught.

A link to a short information booklet that will help to give you an overview of the structure and content of the programme will follow via text.

**Life to the Full** is intended to be partnership between home, school and church. We know that you already do a fantastic job and we see our new programme, **Life to the Full**, as a means to further develop, support and enrich the partnership between home, school and church so that your child is fully supported.

Yours sincerely

**Mr M Phillips**
